

YOU ASKED,
WE DELIVERED

NEW ARMACELL KNIFE KIT!

Installing foam insulation is a precision business that requires the right tools. Insulation contractors have asked for our recommended tool list for years, but for the first time ever, we can provide a carefully curated knife kit directly to you!

The kit includes:

- // Non-serrated knife with 8.5" straight blade
- // Non-serrated knife with 6.5" straight blade
- // Flexible filet knife with 7" blade with sheath
- // Ceramic knife with 6" blade with sheath
- // AccuSharp knife sharpener
- // Multi-pocket canvas carrying case

Contact your Armacell sales rep for details.
